ANNUAL REPORT
BUDGET COMMITTEE REPORT

The preparation of the 1980 budget was not the easiest task because of the uncertainties facing the economy. The rising costs of all labor and any petroleum related items make it extremely difficult to project costs, let alone trying to keep a budget in line. The committee, as is its usual custom, met with all major department heads and went over their budgets in detail. We then met with the Selectmen going over each line item in detail, considering last year's expenditures, the proposed budget and then tried to arrive at a conclusion. Basically the budget committee and selectmen found it extremely difficult to reduce the budget significantly. However, the committee has arrived at several recommendations to both the Town and the Board of Selectmen. Below please find our conclusions on several items.

1. We favor increasing the Town Officers and Fire Department salaries from \$ 3.00 to \$ 4.00 an hour. Even with this raise it is a fact that these dedicated people still contribute their time and expertise to the Town.

2. Town Office expenses increased \$ 7,000.00 because of Auditor's expenses, salary increases and postage.

3. Election-This year there will be four (4) elections plus the school district. Last year there was one (1) plus the school.

4. Town Map- Many revisions this year.

5. Police Department-The committee after much deliberation approved the appointment of a third full time Police Officer, in order to give the town better protection. However, we wish to go on record that "this is it". We do not feel that there should be any more expansion for a long time. This is a very strong position on our part. We also wish to go on record that we are more interested in crime prevention than we are in the patrolling of Route 119 and 202. We think the Police Department should be more visible on the town roads, patrolling them to prevent vandalism, burglaries, etc. We were not impressed with the doubling of the speeding violations. We feel that in going from area to area the officer on duty will pass over the main thoroughfare of town and be able to control traffic violations. We suggest the Selectmen closely monitor this department.

6. Fire Department-A very small increase is recommended and this basically because of the increase in salaries.

7. Planning and Zoning-This account now includes the dues of the Southwestern Regional Planning Commission.

8. Insurance-Workers Compensation rate increase as well as increase in coverage on buildings.

9. Conservation Commission-They want to do some work at the Town Forest.

10. Dump Account-Increase in landfill fees as well as pick-up costs.

ANNUAL REPORT

11. Highway Department-Inflation has hurt this account worse than any others. The budget has been cut twice during the process of budget preparation because of the lack of snow. The oil and solvay portion has been increased by \$10,000.00 which takes into account a large portion of the increase.

12. Street Lighting-The Budget Committee cut this account by \$ 2,300.00, to \$ 6,000.00. It is our feeling that there are definitely too many street lights in town and per the 1979 Town Meeting many can be removed.

13. Library-We approved a slight increase in this account.

14. Town Poor-This account was increased dramatically. It was learned that we may be responsible for a larger portion of welfare.

15. Recreation Committee-A large portion of the \$ 22,000.00 is offset by revenues from the many activities sponsored by the department. It is felt by the director that the actual amount to be raised by taxes will be around \$ 12,000.00 or an increase of around \$ 3,500.00. To last year's \$3,800.00 must be added the \$ 5,000.00 salary of the director which was in a special article for same. The committee feels strongly that tax monies should only be used to support childrens activities. All adult activities are to be self supporting.

16. The committee supports the increase in the Capital Reserve Funds for the purchase of various pieces of equipment.

We have reviewed the non-petition articles and as of this moment we approve of all items. Specific comment is made that we approve of the purchase of the new dump truck for the Highway Department. As of this date, we have not drawn a conclusion as to the request of the Fire Department for a new tanker. We hope that by Town Meeting we will be able to comment on this item.

We, the committee, would like to state that the preparation of the budget was done jointly and with full cooperation of the Board of Selectmen; and, while we refer frequently to "The Committee" we do not mean to imply that all decisions were ours alone.

ANNUAL REPORT
REPORT OF THE ROAD AGENT
1979

First I would like to take this opportunity to thank all Townspeople in approving the purchase of our new Loader in 1979. With this machine and our newer equipment, the Highway Department is continually striving to provide a more efficient and effective department in performing services throughout our Town.

The main projects that were performed in 1979 were:

1. Buying and installing approximately 500' of culvert.
2. Placing a Guardrail at the Kimball Road entrance.
3. Mix and seal on the following roads: 10,000' on Middle Winchendon Road; 3,010' on East Lake Road; 4,500' on Mountain Road; 1,200' on Todd Hill Road; 300' on Old Cathedral Road; 1,600' on Butterfield Road.
4. Rebuilding 1,900' of Squantum Road and regravelling and oiling the remaining 1,994'.
5. Regravelling and oiling of 1,900' of Old New Ipswich Road.
6. Regravelling and oiling the intersection of Perry Road and Old New Ipswich Road.
7. Hauled approximately 3,000 yds. of gravel to the following unpaved roads-Lord Hill Road, Cross Road, Rand Road, and Old New Ipswich Road.
8. Widening and gravelling 1,400' of Hunt Hill Road.
9. Added crushed gravel, oiled, and installed culverts in the Card-Kinnunen sub-division development.
10. With the new Loader we spent more time widening and cleaning ditches on many of the dirt roads.
11. Performing energy-saving corrections at the Highway Garage.

Summer and winter accounts were expended on the maintenance of all Class V highways in Town, with emphasis on patching, brush cutting and the updating of signs.

The winter account was used mainly on snow and ice removal. The winter of 78-79 our department was called out for 25 large ice and snow storms (approximately 76 inches of snow) and most of these storms required week-end work. Hopefully, we will not see the large amount of ice which occurred last winter, for many years to come.

Parks & Playgrounds and cemetery accounts were expended mainly on the mowing of the grass. To date we have started the rebuilding of the fence at the Old cemetery and this will be installed in the spring.

The dump account was mainly expended on the transfer and landfill contracts. Now that we have an established transfer site, I would like to see a new committee formed to look into the possibilities of recycling. Most surrounding towns are doing recycling and the money earned is being used to offset the cost of waste disposal.

Respectfully submitted,

Peter J. Anderson
Road Agent

INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES 1979

Circulation in 1979 reached and exceeded 1000 books per month. Realization of this goal of the Trustees is attributable to many factors including:

1. Soaring book and magazine costs which have lead many people to economize by using the Library's ample selection of both.
2. The scope of the school library in Rindge is very limited. Library-School cooperation has improved.
3. The dedicated efforts of our Library staff, the corps of volunteers, including the apprentices and the Friends of the Library.

Two problems work against our efforts to provide the service which you have a right to expect. These are overdue (sometimes lost) books and vandalism. Each demands the expenditure of your tax money which could be spent in providing better service. Management of the Library is delegated to the Trustees by the taxpayers, but we all share the investment therein and should, all of us, protect that investment.

The staff and Trustees are eager to receive your suggestions as to how our service might be improved.

ANNUAL REPORT

INGALLS MEMORIAL LIBRARY
ANNUAL REPORT OF THE LIBRARIAN

EDUCATION: Both adults and children have progressed in library training. Two librarians and a Trustee completed courses relating to childrens' literature, cataloging and administration. Seven children have participated in our work-study plan. Through their efforts, we have been able to cooperate effectively with the Rindge Educational Activities Program, designed by teachers at Rindge Memorial School. Since there is no library teacher at the school, Ingalls has played an important role in assisting the program.

COMMUNITY: The voters at the last town election had an opportunity to see how the library budget was spent. A display of current books was set up, and the voters could ask questions about the Library of Assistant Librarian, Laura Green.

VOLUNTEERS: Saturday morning, and newly established Thursday afternoon volunteers, have been a boon to the Librarian. Now she can perform administrative duties in a time frame recommended by the New Hampshire State Library. Friends of the Library held the customary summer Flea Market, including adjoining library and bake sale tables. The group has been revitalized under the leadership of Jodee Lee, and an ambitious membership drive is underway. The Natural History Museum is growing in popularity, especially with the children of the Town. Tours are given to both this and the Rindge Historical Museum by dependable and enthusiastic people of the Historical Society.

CHILDREN'S CORNER: Peg Brummer, Children's Librarian reports that the children seem to be better acquainted with all of the facilities of the library and it is rewarding to see so many new faces. The Story Hour on Mondays continued with the same format until the beginning of the 1980 school year. Through arrangements with Franklin Pierce College, students from the Early Education Department were to provide the reading program. Highlights; In January 1979 Judith Kimball, State Children's Librarian talked to the children and adults. Stephen Altschuler in February played his guitar and harmonica intertwining the music and storytelling. Bill Hosie came in March and presented a description of his experience with the Disney studio and displayed models of some of the characters, and Jean Carguilo made mobiles with the youngsters and started a coloring contest using an environmental coloring book. In April Marcia Breckenridge read a continued story and poetry. The winners of the coloring contest were announced. May-Laura Henrikson read stories, showed film strips and made a mural. We embarked on a summe reading program entitled "Rainbow Round the World" in recognition of the International Year of the Child, reading books about people from different countries and a weekly film of a different country each week. Mrs. Delcie D. Bean, N.H. Chairman of UNICEF was a special guest. John Sampson came to tell the children about Japan. The culmination of all those rainbow plates and other rainbow motifs seen about the library came on August 24th with a costume party for the 42 children who

ANNUAL REPORT

had signed up. Certificates and awards were presented. Through the kindness of Cynthia Biagiotti and her helpers, Pat Kallio and Margaret Fries, summer guests, a treasure hunt ensued with the use of the card catalog. International refreshments were served with special thanks to Elmi Aho, Laura Henrikson, Dorothy Flagg and Cynthia Biagiotti.

I take this annual report to publicly thank Paula La-pointe for arranging hostesses each month and to Mesdames: Bell, Breckenridge, Carguilo, Henrikson and Wells for their help, and to all others who gave a guiding hand.

This school year the Story Hours under the Franklin Pierce Students have been highlighted by Carol Reese and Michael Walsh's program on sea shells and sea life; the Halloween Party by Sue Goetz, Pam Lee, and Allyson Strain. Coming from Woodbound Inn, Stephen Altschuler introduced his library song especially created for us called, "Walk with me to the Library". Hope Pettegrew and Frances Brown-Nankin presented their format for a new American History Magazine for children called "Cobblestones". Also in November Linda Robertson from the college provided a Newbery Award winning film strip "Julie and the Wolves", but our own apprentice, Mark Frost, ran the projectors. Sue Goetz and Kim Scott returned to read in December followed by Linda Robertson and Allyson Strain making Christmas Birds, while librarian, Eleanor McMullen, read to eight boys in the the Simons Room. The Christmas Party was held at the home of Mrs. Brummer to share the Christmas Creche, stories and refreshments.

Approximately 26 regular Story Hours have been held with 438 students attending; an average of 19 students each week and circulation of children's books has been 390.

CONFERENCES: Much information about political strategy in dealing with the state, contacts with area librarians, and show discounts of 40% off on book orders are advantages of attending these meetings.

INNOVATIONS: We do not charge fines on overdue books now, but have a jar for "conscience money" and in this manner have received increased income from the guilty parties.

STAFF AND TRUSTEES: While reviewing this year's budget, the Chairman of the Trustees wondered at their good fortune in consistently obtaining loyal librarians. To me the answer is obvious. It is gratifying to work with Staff and Trustees who love the Library to the same degree as I do.

Eleanor H. McMullen

RINDGE CONSERVATION COMMISSION - 1979

The Rindge Conservation Commission pursued many conservation activities during 1979.

Scott Ames Attended a Regional Conservation Commission meeting in Keene where he learned about the projects of area commissions. These include hiking trails, cutting wood from the Town Forest, declaring scenic roads, leading nature walks and educating school children about conservation.

The Commission invited youth leaders and members of the community for a walk in the Town Forest. During the afternoon, participants located the boundaries of the twenty acre lot and discussed using the land for camping and picnicing. Commission members will build a picnic table in the spring.

The Conservation Commission regretted the resignation of members Dan Breckenridge and Charles Snow and welcomed new members Richard Mellor and David Tetreault.

The Selectmen were asked to retain the unexpended portion of the Commission's 1979 appropriation. In the future this fund may be sufficient to purchase more land or to finance a special project.

The Commission sponsored students Julie Somero and David Wells at Youth Conservation Camp at Interlocken in Hillsborough Upper Village June 17-21. The campers and the Commission are grateful to Marge & Ed Stevens of Ed's Auction and to Bob Allen on behalf of the Monadnock Banks for providing scholarships.

The Commission met with Bruce Ellis of the Recreation Department to discuss the possibility of expanding the ball-field behind the Elementary School into a swampy area. The site was examined and the Commissioners approved of the project with the provision that a dredge and fill application be filed with the State before any work commenced.

Commission members also investigated reports of dumping in swampy areas and the questionable building of a dam.

ANNUAL REPORT

SELECTMEN'S REPORT-1979

In 1979 we worked on many different projects. The first project was started by the Highway Department who rearranged the bays at the Highway Garage and put a partition between two of the bays, and redistributed the heating ducts so that the work area could be warmer than the storage area. Later in the year we had the function room at the Town Office insulated and panelled. Also, we had insulation blown in at the Town Office, Fire Station and Highway Garage. We hope to continue these energy savings measures in 1980 to save fuel and still keep the buildings warm.

We solicited bids for the additional Tennis Court and the fencing of the two courts. Drugg Construction was the low bidder and completed the task in a timely fashion so that there was much use of the Courts during the summer and fall. At the same time we had Whitcomb Corporation resurface the basketball court and readjust the nets. So both of these projects are finished.

In the spring we worked intensively with the New Hampshire Municipal Association in search of a full-time Police Chief. We were very pleased to find such a qualified person as David Collum and we hope everyone has met him and his family. Frank DiRusson also became a full-time officer for the force and both men received State Certification in the fall.

As for road projects, the Selectmen laid out the road in the Card-Kinnunen Development and it was graded, gravelled and paved. We had sold the lot of land (which had been held to insure the construction of the road) for \$ 7,000.00 which covered the cost of the construction work. Work was continued on the Kimball Road and with the use of T.R.A. and Highway Subsidy monies this project will be completed in 1980.

At the Town Office we made two forward going changes. All of the assessment valuations were recorded by hand, and then put into a computer and thus we not only have a backup of our records, but the tedious job of hand-writing the Blotter Books and the Warrant Book each year will now come from a computer printout. Also, the Tax Bills are done by the computer, thus saving hand figuring and typing of each bill, thereby going from approximately three weeks from the time the tax rate is set to about three days. Needless to say there were a few errors and a bug in the program, but, hopefully, every thing will be straightened out in 1980. We also purchased a new Savin Copier for the Town Office and it is quite superior to the previous machine. The original document no longer passes thru the machine, thus avoiding jams and destroyed deeds, etc.

There is one item in the 1980 Warrant which we hope you will study and discuss prior to Town Meeting. That article deals with the possible purchase of a tract of land in West Rindge on Pool Pond for the purpose of a Town Beach. This has been discussed for many years and Rindge is out of available shore front land. This is the old Ice House land which has been used over the years by many Rindge residents and is an excellent location, good beach, and good land for parking. Since this would be a long time advantage to the Town, we

61.
ANNUAL REPORT

are requesting the purchase be done over a ten year period and we would seek matching funds for the purchase of the land.

For the fourth year in a row we ended the year with a surplus. If allowed by the Department of Revenue Administration we will use some of it to defray taxes, and retain the remainder as required by the State.

We again wish to thank all the town officers, employees, board members, town counsel, and all the committees who have worked hard to make things run smoothly over the past year. Special thanks go to our secretary, Mabel Speckman, who does all of our paperwork and somehow manages to get the Town Report all typed and to the printers on time. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

The establishment of a full time police department in the Town of Rindge in July 1979 was, I am sure, the result of extensive deliberations by many concerned citizens prompted by increasing crime, increasing social unrest and increasing public sensitivity to both. The activities of your police department are documented above. To some individuals we may appear "too aggressive" while to others we "don't do enough". But the fact that the police deal daily with crime does not mean that they have unlimited power to prevent it, or reduce it, or deter it. The police did not create and cannot reduce the social conditions that stimulate crime. We did not start and cannot stop the many changes taking place in the Country today. We do not enact the laws that we are required to enforce, nor do we dispose of the criminals we arrest. We are only one part of the criminal justice system. Our mission is to deter crime and to deal with specific criminals whoever they are, and with specific crimes whenever, wherever and however they occur to the very limits that our talents, skills, equipment, funds and facilities allow.

Carrying out with proper efficiency and descretion the complicated law enforcement and community-service tasks we are expected to perform is a formidable assignment under the best of circumstances. With the full realization that we, the police, cannot do it alone, I earnestly solicit your help and understanding, your comments and criticisms so that your police department may be more responsive to the needs of our community.

Looking forward to being of service and assistance through the coming year, I remain,

Sincerely yours,

David J. Collum
Chief of Police

increase of calls for 1979 over 1978 was 35, due to the response of the Fire Department to False Alarms at Franklin Pierce College. Man hours were saved by the process of using a Still Alarm and sending an officer and four men on the First Alarm with an Attack Pumper. Structural fires were up a total of 4 calls with no major loss of property. Also chimney fires were up 7 calls from 1978 due largely to the increase of wood burning stoves as auxillary heat.

We would recommend people burning wood to clean chimneys as often as possible to prevent further damage.

The Fire Department members have put many hours of their time in training this past year to better themselves for the protection of themselves and the people of Rindge.

Medical Emergency calls were up and training on these are done monthly and also new E.M.T. members have been added by many hours of training outside the Fire service.

We recommend people practice Fire Prevention in their homes and also install Fire Detectors for their own safety and the safety of others.

We hope to have the continued good support of the people of the Town of Rindge as in the past.

ANNUAL REPORT
RINDGE PLANNING BOARD 1979

In April 1979 the Rindge Planning Board began its first year with members elected rather than appointed. In March Stephen W. Gray and John S. Sampson were elected for three years, Maurice R. Gagnon and Jacob B. Wolterbeek for two years, and Richard T. Rice and Clara F. Fraser for one year. Redvers G. White continues as an ex officio member, representing the Board of Selectmen. The Board elected Mr. Gray as chairman, Mr. Gagnon as vice chairman, and Mrs. Fraser as secretary.

In 1979 the Board held 12 regular meetings and a variety of hearings, workshops and conferences. It approved minor subdivisions totalling 16 lots and 2 technical subdivisions. It adopted site plan review regulations and an amendment to the subdivision regulations to include condominiums in the definition of subdivisions; it requested the town to approve a zoning ordinance amendment permitting the erection of a building on a lot of record even though this lot does not meet current area requirements. In close cooperation with the Southwestern New Hampshire Regional Planning Commission and with the assistance of a "sounding board" of about 25 citizens representing a cross section of the town, it continued work on the proposed master plan, which it hopes to adopt in the spring with a special town meeting called to consider related changes in the zoning ordinance.

All interested persons are welcome to attend the Board's regular meetings, held at 7:00 P.M. the first Monday of each month at the Rindge Town Office.

RINDGE BOARD OF ADJUSTMENT 1979

The Board holds its regular meetings at 7:30 P.M. the second Tuesday of each month at the Rindge Town Office.

The History Committee is presently compiling geneologies; updating information on old families already existing in the original History as well as families presently living in Town. Questionnaires on family history are available from Committee members and at the Library.

The Committee continues to transcribe the tapes of the older persons who were interviewed three years ago; with the financial help of the Historical Society, and have only three remaining tapes to be completed out of twenty-nine tapes.

The Committee is cooperating with a Historical Society Committee obtaining additional information on "Old Houses".

Past historical information as well as current information continues to be gathered, dated and placed in the files.

RINDGE RECREATION DEPARTMENT
ANNUAL REPORT 1979

1979 was a milestone year for recreation in Rindge. It was the initial year of an organized department, headed by a part-time, year round, Recreation Director. The Director's position was created by a Warrant Article approved at the 1979 March Town Meeting. In June, after a lengthy search, and screening of applicants, the Recreation Committee and the Rindge Selectmen, hired Bruce K. Ellis to serve as the town's initial Director. In past years the Rindge Women's Club and the Recreation Committee organized and sponsored most all of the community recreational programs. Now these two bodies serve as intermediaries and resource groups; with the Recreation Committee directly overseeing the Recreation Director and his handling of departmental activities and policies.

The number of youths and adults using the Wellington Road Playground facility increased this year. This was due to the fact that two tennis courts and an outdoor basketball court were successfully completed. Nightly during the Summer season one would find the area crowded with families happily enjoying themselves playing ball, tennis, or using the playground apparatus. As Rindge people become more familiar with the area we expect even more use in the future.

This was the first year of organized Little League in Rindge. Rindge boys and girls were divided into four teams, with Paul McPhie, Rory Walker, Dick Tkaczyk, and Dave Tower serving as coaches. The program was so successful we hope to expand the Rindge Memorial School Playground into a ball field to allow scheduling of more games, in addition to better serving school activities.

The Summer program was run with rather mixed results. It offered both a free playground program at three locations: Wellington Road Recreation Area, Rindge Memorial School and the West Rindge Common; and 14 special interest programs for various activities. Steve Loughlin, Kathy Gauthier, and Gale Scheaffer served as playground staff. The 1979 playground will also be remembered as an unusually hot summer, and swimming was available for only two weeks, when Red Cross swimming was offered at Franklin Pierce College.

Programs continued into the Fall, but a lack of facilities forced the department to curb programming as Winter approached. 668 people participated in 38 Rindge Recreation Department sponsored programs throughout the year; as 33 instructors generously shared their time and talents. For that we appreciate their efforts.

As in many new departments, Special Events served as one of the main means of introducing the Rindge Recreation Department to its townspeople. The department attempted to supplement activities into traditional community events, while also adding some Special Events of its own. You will recall the Memorial Day Race; Punt, Pass and Kick; Dr. Pepper Soccer Clinic; Old Home Day puppet show and Ashby

ANNUAL REPORT

Band Concert; Harvest Festival Petting Zoo and Concert; Halloween; North Pole Calling; North Pole Mail Box, and Decorating of the Town Christmas Tree.

This past year saw the department offer five bus trips for people to enjoy. They were a fishing trip; a Boston Red Sox trip; a Circus trip; a shopping trip; and a youth roller skating trip. With people experiencing soaring gasoline prices, and a lessening of fuel availability, the department expects to gradually sponsor more trips in the immediate future. That way people can shop; enjoy live sporting events; visit historic places; or just fun places; while also sharing the friendship of their neighbors.

As we move into a new decade of the 1980's here are some Rindge Recreation Department goals: to locate a place for public ice skating, to formulate a school use agreement which will in turn increase programming opportunities; to foster co-operation and rapport with Franklin Pierce College, neighboring Recreation Departments, and local organizations which will enable us all to work together for the common good; to find ways of better informing Rindge citizens about programs we offer; and to generate programs which will encompass all segments of Rindge's population, hence the department is always eagerly awaiting your ideas.
